Michael Owen, Doug Walsh : Gears of War 4: Prima Collector's Edition Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Gears of War 4: Prima Collector's Edition Guide:

StefaniPrima has always made the most solid strategy guides but for a game this short (but fun) this thing is like a novel. It is super thick. I am still wondering why I do not see a strategy guide for Dead Rising 4 yet. I have gotten used to just going to the internet now when I get stuck unlike the old days of having to have the damn guide in your lap while you play so solid guide for sure but really cumbersone and in this day age of the interwebs perhaps they could have saved a tree.0 of 0 people found the following review helpful.
