Graeme Thomson : George Harrison: Behind the Locked Door before purchasing it in order to gage whether or not it would be worth my time, and all praised George Harrison: Behind the Locked Door:

2 of 2 people found the following review helpful. Five StarsBy betsy scalaA must read for any Harrison fan.0 of 0 people found the following review helpful. InsightfulBy Bob in CarlisleA hard look into the mystic Beatle. So happy he finally came to terms with being a Beatle and realized just how important and loved they were. The music business sure treated him like crap during the solo years. Found out he could really be a jerk to anybody. Still love his music.

Need a new proofreader, let a lot of mistakes go by but still a good read.3 of 3 people found the following review helpful. Four StarsBy john horanA great read even for those who thought they had read it all .

The definitive new biography of the most enigmatic Beatle As a Beatle, Harrison underwent a bewilderingly compressed early adulthood, buffeted by unprecedented levels of fame and success. The notoriously shy performer mostly ceded the spotlight to his more flamboyant bandmates John, Paul, and Ringo, but after the bands breakup, Harrison charted a new path all his own. In this elegant, in-depth biography, renowned music journalist Graeme Thomson tracks Harrison assiduously through his many changes and conflicts, from schoolboy guitarist to global superstar, God-seeker to independent filmmaker, and marks the perennial struggle of a man attempting to walk a spiritual path lined with temptation. Drawing on scores of new interviews with close friends and collaborators, rigorous research and critical insight, *George Harrison: Behind The Locked Door* is a fascinating account of the motives and varied achievements of an often misunderstood man.

"A magisterial biography... Thomson's book adds something new to this conversation..." - Chicago Tribune
"Do we need another book on the Beatles? In this case, definitely. Not just because it's a juicy story, but because Harrison's life was such an intriguing study in the interplay of fame, creativity and happiness." - San Francisco Chronicle
"Fans of either the Beatles or Harrison the solo artist will find much to relish in this thorough and accessible account" - Library Journal (Starred review)
"Re-examines the Quiet One's remarkable life" - New York Post
"The life and times of George Harrison, thoroughly examined by noted biographer Graeme Thomson... through in-depth interviews and dogged research. [Paints] Harrison as a human being instead of just a pillar of pop culture." - Status Magazine
"A master class in the art of clear-eyed, unflinching biographical writing." - Liberty21 Institute
"The book is thoroughly entertaining, and it fills a real gap in the available literature about one of rock's most important musicians. I seriously doubt Harrison will get any better treatment anytime soon." - The Agit Reader
"An excellent biography" - MOJO
"An insightful, rigorous and beautifully written atomisation of the youngest Beatle's life." - The National
"Brings new colour and understanding to his story. A must for George fans." - Hot Press
"Thomson's excellent biography is readable, informative and, most importantly, clear-eyed... A well-written and extremely entertaining book." - Classic Rock
"A gripping account of the complex, fascinating and richly eccentric life of the supposedly 'quiet' Beatle" - Saga
About the Author
Graeme Thomson is one of Britains leading music writers. He is the author of critically acclaimed and definitive biographies of Elvis Costello, Willie Nelson, Johnny Cash, and Kate Bush. He has written for Time Out, MOJO, The Guardian, and Rolling Stone.
