Doug Sulphy : Get Back: The Beatles' Let it be Disaster before purchasing it in order to gauge whether or not it would be worth my time, and all praised Get Back: The Beatles' Let it be Disaster:

Hailed as one of the most in-depth portraits ever presented of a band, Get Back traces-in an incredible minute-by-minute re-creation-every move that the Beatles made during the making of their ill-fated Let It Be album and film in January 1969. The friction that formed within the band during these recording sessions is chronicled here in closely

observed detail, and the result is an extraordinarily intimate look at the Beatles and their music during their most difficult period. For years people have asked why the Beatles broke up; here, finally, is the answer.
