Bob Longe, Inc. Sterling Publishing Co. : Giant Book of Card Tricks before purchasing it in order to gage whether or not it would be worth my time, and all praised Giant Book of Card Tricks:

0 of 0 people found the following review helpful. Great productBy headdealThis is a good book of card tricks. It is a little advanced for the first time user. The tricks take a lot of practice if you are not experienced in card tricks. My 13 year old daughter likes it but has had to practice a lot.11 of 11 people found the following review helpful. Great resource of real card magic!By Marc RehulaDon't be put off by the price. This volume contains a surprising number of great tricks, and clearly explains a good number of the basic techniques. It is written for the beginner, but it is fairly comprehensive, and the intermediate card magician will find much here as well. Come on, even if I'm wrong, look how much money you're out.9 of 9 people found the following review helpful. Great book for beginners and advancedBy A CustomerI am only 13 and this book really brought out my love for card tricks. It has card tricks for anyone and it has some great tips. This is my first book on card tricks and i loved it. So try it out and you might too.

With a little sleight of hand and the secrets behind hundreds of card tricks, you'll amaze, amuse, and astonish your friends every time. Become an expert at "sneaking a peek" at a card without anyone noticing. Practice doing slippery shuffles, cuts, and hand movements that fool an audience and really make a magical show. Win over the crowd with a professional's inventive stage patter and witty wisecracks. Choose from these cool tricks: * "Colorful" and "Presto" Predictions. * Transpose cards with the "Tick Tock Trick," "Easy Aces," and "One in Four." * Using "Easy Estimation," figure out how many cards a spectator picked from the deck. Plus: "The Rare Reverse," "My Favorite Card," the "Impossible Poker Deal," and several hundred more.
