Louis K Meisel, Charles G Martignette Dr. : Gil Elvgren: All His Glamorous American Pin-Ups (Jumbo)

before purchasing it in order to gage whether or not it would be worth my time, and all praised Gil Elvgren: All His Glamorous American Pin-Ups (Jumbo):

11 of 11 people found the following review helpful. The Best Pin-Up Book Ever By D. Hill Gil Elvgren was the best of all the pin-up artists and also the most prolific and this book collects much of his work. The plates, nearly six hundred of them, are almost all in color and each one is of decent size. This book is the definitive volume on pin-up art to any collection, his art, a masterwork on the same level as any of the great painters. The fashions on his models may change throughout the forties, fifties and sixties, but their beauty (and cuteness) remain consistent. His fleshtones are truly amazing and the poses suggestive and fun. Elvgren's models weren't just gorgeous, they were friendly, inviting and playful. Just having this book lifts your mood, recalling an earlier time when life was a lot simpler. 0 of 0 people found

the following review helpful. Enjoyable. By Michael D. Markovitch A lot of great artwork here. Elvgren was one of a kind. 0 of 0 people found the following review helpful. Beautiful Girls By Anonymous Beautiful Girls, in sexy poses though by no means trashy. There are too many to call my favorite, though if I had to pick one, it would either be "Jeepers Peepers," "Oh No!," or "Best Foot Forward." The reference photos are very interesting, though they're rare and far in between. The only thing that could be better are full page illustrations whereas most of the pictures are small and crammed on the page with 3 or 4 others.

The works of Gil Elvgren, who has been dubbed "the Norman Rockwell of Cheesecake," reveal how his "girls next door" conquered America with charm, chic, and humor. 600 illustrations.
