It is only about 5 inches tall and has ONLY 13 stickers in it. Skip this at \$1.99 as it is a rip off. 0 of 0 people found the following review helpful. Five Stars By Statistically Speaking Really cute and fun!

Shimmering snow people glide and slide their way into your heart! These adorable, roly-poly snowmen, snowladies

and their little ones are sure to brighten your day! The thirteen glittering figures love to ice skate, go sledding and skiing, and just enjoy one another's company.
