Wolverines for many decades and we love it! By Dena Ward
Actually, this was a birthday gift for my sister. We are both die-hard, true-blue, maize-and-blue-bleeding Wolverines for many decades and we love it!

I bought this thinking it would be mostly Michigan players and coaches and things about the school, but each puzzle only has about 6 questions relating to Michigan and the rest is random questions.

Sharpen your pencil, sit back, and get ready to test your mettle! With 64 pages of puzzles and trivia, this book is the perfect challenge for every diehard Wolverines fan!
