**Jeremy Parish, The Gamespite Crew : Good Nintentions: 30 Years of NES: An Unofficial Survey of the Nintendo Entertainment System (GameSpite Journal) (Volume 1)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Good Nintentions: 30 Years of NES: An Unofficial Survey of the Nintendo Entertainment System (GameSpite Journal) (Volume 1):

3 of 3 people found the following review helpful. Fantastic Tome about Nintendo's Family ComputerBy Koch ComicsWell written and well designed book about the history of Nintendo video games! Could come in hardcover, but that's an issue with the publisher NOT the author(s). Recommended for anybody interested in learning about the history of video games!1 of 1 people found the following review helpful. Great content, some hard-to-read printBy Zach CollierExcellent writing and photos.Some of the articles are difficult to read in low light because the text is white

on a yellow background. I'm surprised this wasn't caught by an editor. 2 of 2 people found the following review helpful. there is a wealth of fun history and commentary By V baz This book is an absolute treasure. The version with color photos is definitively worth the price. The compiling of all the old games alone is a feat. On top of that, there is a wealth of fun history and commentary. If you have fond nostalgic memories of the NES, you will love this book.

A 30th anniversary tribute to the Nintendo Entertainment System, the game console that revolutionized the medium and helped create the games industry of today. This book explores the system's history, the movers and shakers who made it great, and of course all the amazing games. Includes a complete index of all licensed American releases, in-depth features, and write-ups on more than 200 different titles. Good Nintentions covers the full breadth of the NES's life, from the system's prehistory as the Nintendo Famicom to the modern-day resurgence of the system through games like Shovel Knight and NES-centric YouTube shows. Originally released as GameSpite Quarterly 5, Good Nintentions includes nearly twice as much content as the older volume, with dozens of new entries and extensive additions to existing material.

About the Author Jeremy Parish currently works as editor of USgamer.net and has been writing about video games for nearly two decades. His side projects include the Retronauts podcast, the Game Boy World video series, and Good Nintentions.
