Perfect for the casual crossworderBy CustomerI was worried after I ordered this, since most reviews I've read on here criticize Stanley Newman's daily puzzles as being too easy. My paper carries his Sunday ones, and I always enjoyed them since they seemed aimed at a younger crowd. I'm in my mid-20s, and it's nice to see crossword puzzles with Star Wars trivia and references to songs that aren't from the 1950s.I'm generally pleased with this book. The only criticism I'd offer is that some of the puzzles are missing cryptic clues -- I'm used to the Sunday crosswords having a few long brain-teaser phrases related to that week's theme. Some of the early puzzles in this book are missing them, perhaps because they're supposed to start easy. Still, there are many tricky shorter clues that are challenging.All in all, I'd recommend this.3 of 3 people found the following review helpful. The Best Crossword PuzzlesBy R. E. GottschalkStanley Newman is a fantastic crossword puzzle editor. His puzzles are a

challenge but not impossible to solve. I love his Sunday puzzles. There is nothing better than a hot mug of English Breakfast Tea and a Newman Sunday crossword puzzle. 0 of 0 people found the following review helpful. Stan is the Man!! By Judith Bajorek The crosswords in this book are as challenging as in the Sunday newspaper... and I enjoy those so very much.... I will soon be ordering the others that you have to offer by Stanley Newman... Stan is the man!!
