Anne Dion Hinds : Grab the Brass Ring: The American Carousel before purchasing it in order to gauge whether or not it would be worth my time, and all praised Grab the Brass Ring: The American Carousel:

2 of 2 people found the following review helpful. Grab the brass ring (book) By F. S. Hoffman This is a good general review, lavishly illustrated, of the history of the American carousel, biographical details of the most well-known carousel animal sculptors and manufacturers and the numbers of carousels as of the publication date 1990. The author is associated with the National Carousel Association, which naturally promotes. 0 of 0 people found the following review helpful. Five Stars By carousel Lots of information on the history of the carousel and lots of pics. A must for carousel lovers. 0 of 0 people found the following review helpful. Five Stars By Peggy A McPherson Good book.

The author traces the merry-go-round's history from its heyday at the turn of the century to the present day. 150 full-

color photographs.

From the Inside Flap The author traces the merry-go-round's history from its heyday at the turn of the century to the present day. 150 full-color photographs.
