Purchased this a while ago with the intent of using markers but pages are so thin, the ink will likely bleed through. We shall see.0 of 0 people found the following review helpful. Coloring book for youth and adults.By kimI gave this as a gift to my grandson who loved it! It is all about coloring the graffiti, not how to make it! That is exactly what his parents wanted! I couldn't find anything like this anywhere in my area so was very glad to see it on .1 of 1 people found the following review helpful. DisappointedBy stargazerDo not like this very well. Hard to read and no coloring guidelines on the insides of the covers. Generally disappointed. Was looking for something off beat and took the chance. Will probably give it to my brother.

Color in your very own graffiti masterpieces, sourced from the original artists.
