I wish graffiti was not back to back on each page but one graffiti per page so that when you draw in with markers, it doesn't go through unto another graffiti drawing. Other than that, well made and great graffiti words. 0 of 0 people found the following review helpful. Ordered this for one of my 5th grade students who ... By Customer Ordered this for one of my 5th grade students who loves to draw -- albeit during class. He loves it! 1 of 1 people found the following review helpful. Great coloring book! By nichole Great book for a child learning to use graffiti colors. Nice thick paper and many sheets. Only downside, front and back have design, so permanent market may bleed.

In The Graffiti Coloring Book, sixty of Scandinavia's best graffiti writers have provided the outlines. You choose the

colors. The Graffiti Coloring Book is as fun for children as adults. Get out your crayons and walk the path of the kings of graffiti.
