Great seriesBy rose burchAs a senior I use crosswords to sharpen my memory and renew my vocabulary. I do cheat sometimes! I feel if I can get a start then the answers begin to flow. I can't stop a puzzle until I complete it. I enjoy this whole series. I lilke it that some of the references refer to my youth and bring back happy memories.

To solve these puzzles, cruciverbalists (look it up!) must get their minds in gear and marshal their knowledge of idioms, colloquial phrases, and other tricky language facts. From Jack Horners dish (pie) and Folklore giant (ogre) to

Texas landmark (Alamo) and Large waves (seas), the clues offer an entertaining challenge.
