Tim Bogenn Rick Barba : Grand Theft Auto V Signature Series Strategy Guide before purchasing it in order to gauge whether or not it would be worth my time, and all praised Grand Theft Auto V Signature Series Strategy Guide:

0 of 0 people found the following review helpful. These guys are getting lazy or something....By CustomerHad the GTA San Andreas guide by these guys. That one was so in-depth in regards to the missions it would break you down on exactly how when to do what at each point in a mission. This guide for GTAV sucks. Missions are nothing but a basic overview. Not really any helpful strategy tips for those hard-to-figure-out parts within the missions. Would have given GTASA guide 5 stars 'cuz it was soooo in-depth soooo well put together. This gets two 'cuz it's a helpful tourist map for cruising this world finding stuff, but not for help with beating the game. Maybe they didn't actually play it. IDK. But step it up yo!!1 of 1 people found the following review helpful. A great cheats guide to GTA VBy Colin BrownThis book has it all. Every mission, every side mission, explanations on the characteristics of the weapons, cars, helicopters etc. etc.If you want to complete GTA V with 100%, including all the bonus and side missions then this

book will save you hours of hunting around or just stumbling upon things. Recommended. 0 of 0 people found the following review helpful. Helpful and chock-full of useful information By Kelly This guide was incredibly helpful! It gives some great tips and walkthroughs of the main missions, but its real draw is the in-depth information about the many, many sidequests that the game has to offer. With multiple maps pinpointing collections, stunt jump locations, and exact locations of things needed to complete the side missions, its well worth the money. And unlike Prima Guides, Brady Guides always tend to have a minimum of missing or incorrect information.

The Official Grand Theft Auto V Signature Series Strategy Guide from BradyGames details every square mile of Los Santos and Blaine County; essential for a map thats bigger and better than ever. Welcome to Los Santos and Blaine County Main Story Mission Maps - We guide you through every mission, including the planning and execution of all of the major heists. Know exactly when to jump in and out of the lives of each of the three main characters and which weapons, tactics, and routes are most effective. Dive deeper into the story with tips for each mission and insight on every twist and turn; know when choices with consequences must be made, and achieve a Gold Medal every time. Collectibles - We have explored every square mile of land and sea of this immense world to locate and complete all ambient activities. Maps and detailed descriptions for all Aerial Challenges, Stunt Jumps, Spaceship Parts, Submarine Pieces, Hidden Packages, and more. Hobbies Pastimes - There are all kinds of jobs and ambient activities to try, and each has specific things that you need to know to succeed. Hunting, Races, Arms Trafficking, Flight School, Property Management, Parachuting, Golf, Bail Bonds, Assassination Missions, Yoga, and more weve got you covered. Vehicle Showroom - A fleet of sports cars, motorcycles, boats, trucks, aircraft, and countless varieties of vehicles big and small are yours for the taking. We feature them all, including stats and customization options. 100% Completion - Theres a lot to do in the greater Los Santos area. A lot. We keep track of it all so you dont miss a thing. Each colorful character youll need to meet, the activities you must complete, and everything to achieve 100% completion
