By Kay Hazeldine Kathleen Hazeldine For all who simply admire and love Greta Garbo as I do, this would be a great addition if you have not already purchased it. Besides showing much of GG's apparel, there is lots of great information about the DIVINE ONE! I enjoyed this very much! 0 of 0 people found the following review helpful. The Great Garbo By Zsolt Palvolgyi This is a top quality book about the legendary actress and her unique fashion style. 1 of 1 people found the following review helpful. A BEAUTIFUL RECORD OF COSTUMES WORN BY GARBO By CHESTER PAGE The young Greta Garbo was the essence of style and beauty in her films, from the early silent films to the later Hollywood iconic works. She wore her clothes with utmost elegance and style, unlike her later years in New York when she walked about the city in men's shoes and tried to be unrecognized. This beautiful book reminds us of why she was the greatest film star of her day..

The never-before-published wardrobe of a timeless star, for lovers of fashion, photography and film history. Greta

Garbo's influence over fashion has transcended time. Her dresses, suits, impeccably-tailored coats with a slightly masculine look and the indispensable accessories (shoes, bags, glasses, foulards) has created a style emulated, imitated, even occasionally reviled, but never fully examined. For the first time a catalogue of great glamour and a travelling exhibition detail this extraordinary wardrobe whose minimalism fits so well with current fashion trends. Edited by Stefania Ricci, the Director of Museo Salvatore Ferragamo in Florence, as the Divine Greta Garbo was a Ferragamo client from the 1920s until her death, and the founder of the Italian maison designed hundreds of original, classical, futuristic, hand-made shoes and sandals exclusively for her, most of them shown here for the first time. A stunning selection of black and white Garbo portraits by celebrated photographers completes the volume.

A Catalog of Garbo's personal wardrobe provided by her living heirs, biographical notes, his filmography, and a stunning collection of iconic portraits by celebrated photographers completes this must-have gorgeous volume the perfect library addition for designers, students of style and a special treat for all Garbo fans! ~Vidcat "Take that Carrie Bradshaw." ~Movie Line "Twenty years after her death, we still try to unlock, not the mystery of style, but the mystery of Garbo." ~pbpulse About the Author Stefania Ricci is the editor of Salvatore Ferragamo Evolving Legend 1928-2008, also published by Skira (2009).
