Comes with free PDF versionBy Griddlers TeamNo more pencil and rubber solving. With this book you can get free PDF file from authors site (valid until 11.2015) so you can print any puzzle again.

Griddlers logic puzzles, also known as Picross or Nonograms, are picture logic puzzles in which cells in a grid have to be colored or left blank according to numbers given at the side of the grid to reveal a hidden picture. Some people compare Griddlers to Sudoku. However, the Griddlers puzzles always reveal a nice image as a result. This book consists of 129 single Griddlers, 6 Multi-Griddlers and 11 Triddlers. The solutions of the puzzles appear at the end of

the book.
