Various : Grimm Fairy Tales Cover Art Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Grimm Fairy Tales Cover Art Book:

2 of 2 people found the following review helpful. just ok.... nothing special....By Weikuang WongThe art book was just ok to me. I was expecting more so I felt a little disappointed. The description says is should have 200 pages but my book only has 145. I took a chance on this book but I really regret doing it.I didn't enjoy the art book that much but I'm still going to give it 5 stars because I know other people will enjoy it more than I did. Also there might be a possibility that maybe they just sent me the wrong book by mistake.13 of 14 people found the following review helpful. Good Art BookBy J.B.This is a good intro. to the world of Zenescope. This item is NOT 200 pages, but rather 147 pages. But for the price (US\$23.00)it was a good buy for me.I stumbled upon this publishing house in the early 2005 I love the artwork not to mention the stories that come with a twist... Uploaded some pics.1 of 2 people found the

following review helpful. Fantastic Cover ArtBy LeslieThis hard cover volume holds some of the best cover art from the first fifty issues of the series. There is artwork from Al Rio, Eric Basaldua, Mike DeBolfo and lots more like Billy Tucci in this collector's edition that is an absolute must have for all Grimm Fairy Tales lovers.This is the only chance will have to admire a book of this calibre that has notes accompanying most of the artwork. A lot of the artwork has a b/w version of the color one on the facing page.Marvel at all the sexy, evil and horrifying works of art and to have it sit next to your other copies of the grimmest fairy tales to ever be written.Immerse yourself in a book that has magic of it's own, appart from the fight of good and evil in a realm not so make believe.

Since it was first published in 2005 Grimm Fairy Tales has been one of the hottest independent comics on the market. Featuring some of the most beautiful women in comics, Grimm Fairy Tales covers have been turning heads from day one. Collected for the first time here in this beautiful hardcover edition are the covers for the first 50 issues of this landmark series, with stunning artwork by some of the top artists in the industry including Al Rio, J. Scott Campbell, and Eric Basaldua.
