From CreateSpace Independent Publishing Platform : Guide To Minecraft: Survive The Night: Crafting, Mining Survival Guide Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Guide To Minecraft: Survive The Night: Crafting, Mining Survival Guide Book:

1 of 1 people found the following review helpful. This Dad Finally 'Gets' Minecraft!By Jacques VenterMy son is totally crazy about Minecraft its great to finally get some insight into what the game is all about.PLUS I now understand what my son is yabbering on about when he goes into "Minecraft conversation mode".Awesome book -

well worth the coupla bucks spent.1 of 1 people found the following review helpful. This is exactly the Minecraft guide I was looking for a long time!By Guillermo CremeriusI was all over the internet to get the information needed to play this amazing game, but now I have it in a singe guide, that teaches you everything and then it is perfect to use as a reference. Well worth to get it if you are a beginner or even passed that stage and need to look something up.0 of 0 people found the following review helpful. It was good but a little more detailBy Bryan Lovell GoodmanSorry wasn't that good but make moreYou are better than police life it was good like yours make 1

Struggling with the undead? Can't get your horse to drink? Searching for new Redstone building ideas? Zack Lancing has all the answers for you with easy to follow step by step guides and loads of screenshots. Grab your copy today in Kindle or printed version. Note to parents: If your son or daughter is a minecrafter, this book will help you to quickly understand why they are so passionate about the game and it will help you to engage with them on something they love.
