**GAINAX : Gurren Lagann Art Works** before purchasing it in order to gage whether or not it would be worth my time, and all praised Gurren Lagann Art Works:

6 of 6 people found the following review helpful. Every page is screaming with spirit of Gurren LagannBy Ellistight book. Full colored illustrations. Just beautiful. Some of the pages are so great it's hard to take in because your so overwhelmed by the sheer awesomeness. I recommend having a paper bag on deck due to hyperventilation.0 of 0 people found the following review helpful. Gurren LagannBy Pandora HavocThis book is amazing. It has such good artwork and really captures the spirit of the anime.1 of 1 people found the following review helpful. We've seen lots of this art before, but that just means we get a great trip down memory laneBy CustomerThis art book is mostly filled

with older art, but given the quality of the art, that barely matters. It is mostly filled with the eyecatches from the commercial breaks and a few collages of the same.
