Guy Bourdin created images containing fascinating stories, compositions and colors. Using fashion photography as his medium, Bourdin explored the provocative and the sublime with a relentless perfectionism and sharp humor, breaking with the conventions of commercial photography and capturing the imagination of a generation. The late 1970s, widely recognized as the high note of his career, is the focal point of this new edition, which combines in one book the two volumes of the original 2006 publication. The first part of A Message for You shows the legendary, nearly

forgotten images and rarely seen variants of a single model, Nicolle Meyer. She appeared in over 30 of Bourdin's famous campaigns for Charles Jourdan and in iconic French Vogue editorials. The second part of the book explores Bourdin's pictorial landscape in a collage of images that maps his artistic vision. The texts, Polaroids, poems, sketches and contact sheets are interspersed with Nicolle Meyer's recollections.
