I found this book to be not only incredibly informative but also is full beautiful and detailed photographs of Rosville's many cBy Patricia O'TooleAs a beginner collector of Roseville pottery, I found this book incredibly informative and full of hundreds of beautiful and detailed photographs of Roseville's many collections. I would highly recommend this book to anyone collecting Roseville pottery. Not only does it help you learn how to identify authentic Roseville from fakes, but also lets you see the many pieces that are available in each collection, making it easier to decide which pieces you would most like to search for and purchase.

The pricing guide is also extremely helpful.0 of 0 people found the following review helpful. Five StarsBy GlenBogleLove it, just the thing I was looking for. Thanks!!0 of 0 people found the following review helpful. Excellent Resource!By CustomerI love it! The illustrations are amazing. This will greatly improve my information on Roseville Pottery.I am a potter so I will also use it for inspiration. Thank you.

*Wise investment - inexpensive ornaments purchased 25 years ago in some select cases are now worth more than \$300 Decking the halls during the holidays became an even greater treat with the emergence of Hallmark Keepsake Ornaments more than 30 years ago. Today these festive items are the focus of many collectors' dreams. In this Hallmark Keepsake Ornaments companion, you gain access to up-to-date collector pricing for 6,000 ornaments, and more than 600 color photos to assist you with identification of nostalgic collectibles. Its compact size makes this a perfect go-to guide when you're looking for ornaments from legendary Hallmark series, such as Peanuts, Frosty Friends, and Nostalgic House.
