Microsoft : Halo Hardcover Ruled Journal (Insights Journals) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Halo Hardcover Ruled Journal (Insights Journals):

1 of 1 people found the following review helpful. Great Halo Themed Journal By JoshCovers are nice and thick, paper is of nice quality. The black portions of the book covers are actually not 'printed' on but is offset into the book giving it a great feel. There is a band that keeps the book closed when not using it. Also, the blue 'halo' words you see across the

book is really a paper band that you remove before you use the book. Beneath it is more textured graphics. There is no place to 'hold' a pen. Great journal for anybody who loves the HALO series. Glad I got this.2 of 2 people found the following review helpful. I love it. I got it to enhance my Halo ...By Will HernandezIts a college ruled notebook with art depicted in the inside part of the covers. I love it. I got it to enhance my Halo collection and was not really planning on using for anything. BUT... college ruled is my preference of paper since I have messy handwriting so even indirectly this buy was a win-win.0 of 0 people found the following review helpful. Great product for a true halo fanBy Tom P.WOW!!! Love this journal. I use a colleges ruled journal for work and is not only professional looking but also allows me to embrace my inner nerd at the same time. Great product, I'll be ordering one again once this one is filled.

The Halo franchise has set higher standards in innovative gameplay, awe-inspiring environments, and creative mechanical designs with each new chapter of its continuing saga. With an incredible array of planets, aliens, weapons, and spaceships as its backdrop, Halo immerses players in a universe brimming with fascinating stories of camaraderie and heroism. Featuring iconic UNSC imagery and full-color artwork, this journal is an invitation to chronicle your own journey. With sturdy construction and sewn binding, this journal lies flat, and the 192 lined, acid-free pages of high-quality heavy stock paper take both pen and pencil nicely to invite a flow of inspiration. All this, plus a ribbon placeholder, elastic closure, and 7.5 x 4.5inch back pocket, perfect for holding photographs and mementos, makes this Halo journal the ultimate game-inspired portable notebook. 2014 Microsoft Corporation.
