Prima Games : Halo Wars 2 Collector's Edition Strategy Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Halo Wars 2 Collector's Edition Strategy Guide:

2 of 2 people found the following review helpful. good book but beware the Prima Games websiteBy FanThe book has a nice campaign walkthrough with maps and good images from the game itself, also shows the multiplayer maps.it

also details the cards you can get from the Blitz mode game and shows detailed info about the leaders available in the game..Some complaints though about the book itself, some of the pages stick together near the binding and it feels like they might rip if the book is opened up flat.Also you may want to stay away from the Prima Games website, not sure what they have running on the site but it locked up my computer and crashed Internet Explorer and may it unusable until a reboot.Was unable to use the code from the book to get any of the eGuide or Bonus DLC due to the problems with the Prima website.0 of 0 people found the following review helpful. Useless now sorryBy BradleyBesides the campaign hints the book is useless in multiplayer because the game has new dlc leaders that are not in the book and there are balanced updates that change the units. For example if the book says the jackrabbit take 20 seconds to build and cost 150 resources. But the game was updated now the jackrabbit takes 40 seconds cost 250 resources and 15 power. Sadly over all you will learn more from playing then reading. If you want a good book try the fallout 4 book it has stats of enemys armor weapons and locations to any thing you need.0 of 0 people found the following review helpful. taking that first RTS stepBy CustomerGreat for beginners that want to become halo wars legends. Just know it does not cover any season pass content.this game is a great entry level game for RTS. beware before you know it you will get hooked on RTS and FPS will never look the same.

Return to the Ark! Battle your way to victory in the newest chapter of the wildly popular series with the official Halo Wars 2 Collector's Edition Guide from Prima Games.
