Love...By Alexandria Each year I buy 2 of the Page-A Day Gallery...they sit on my kitchen counter...if I don't like the day/photo, the secondary choice sits in my pantry. I can decide each day which one will be my magic image. They are ...eye-catching with many choices from shoes, to bags, art, animals, birds...each encased in a nice lucite holder which can be displayed and changed for the next day. Some photos are blasts from the past, some are ancient...they are simply fun! 4 of 4 people found the following review helpful. Return purchaser! By Constance Cade Great calendar for the purse lover! I bought the 2014 for my sister and myself. I have bought these for the past three years and love them. Also the shoe calendars too! 0 of 0 people found the following review helpful. for any handbag lover By Deborah E. Perfidio I love this calendar - what a treat- every day to wake up to a new handbag!! I have the shoe one too and the true crime - I love these calendars and every year I get - I see a few minor repeat shapes not bag names - like a chanel and a prada with the same shape perhaps - but to fill a whole every day calendar is probably a bit difficult but they do it well!! excellent I will get one every year!

Behold, the power of the purse! The must-have accessory for the fashion lovers desktop, Handbags delivers a year of showstopping clutches, hobos, totes, and satchels gorgeously photographed in full color. The beaded. The sequined. The fringed. The pleated. The antique. And the elegantly minimalist. Adapted from Anna Johnsons delightful bestseller Handbags. Ooh-la-la!
