I really enjoy seeing the older bags from mid to late 19th century and early 20th century. There are pictures of Chanel, Adriana Castro, Dota Abodi, and many more. I get this every year. There is a handbag on each side of the page, so half way through the year you turn it over to see the other side. By doing this, the paper is a good thick quality but it doesn't have to be very thick. When I really like a bag, such as the red Chanel bag from February 18, 2015 or the black leather bag with gold molded leather to look like a face from Charles Jourdan from November 6, 2014, I put them up to see all year. The paper is high quality and it holds up well. 0 of 0 people found the following review helpful. Totally Awesome! By Worth4Totally awesome!!! I am a handbag lover. Old bags, new bags whatever. So love this calendar, can't wait until Jan 1. And yes, I did open it to see all the handbags. 0 of 0 people found the following review helpful.
