It's a great looking piece. It has a clear case that you put the cards in displayed one by one. The calendar cards themselves are a nice quality so that if you wanted to hang one you easily could. I would recommend to anyone who loves handbags! 0 of 0 people found the following review helpful. Great calendars that last By Jim Tai The "Handbag Gallery Calendar 2009" has a lot of different kinds of handbags that you might like, and actually go to a store and find the very same one to buy it! 0 of 0 people found the following review helpful. It's the essence of chic Gucci to Pucci to vintage Wilardy. Based on the covetable book Handbags, with over 177,000 copies in print, HANDBAGS is an obsessive, opulent celebration of style and whimsy. The Fendi Baguette and Kate Spades classic pochettes. Christian Dior's elegant satin Fermoire and a cameo-adorned velvet opera bag, circa 1900.

Beaded bags, fringed bags, logoed bags, jeweled bags, pleated bags. And totable wit, such as Katherine Baumanns glittering Coke can bag.
