Workman Publishing : Handbags Page-A-Day Gallery Calendar 2016 before purchasing it in order to gage whether or not it would be worth my time, and all praised Handbags Page-A-Day Gallery Calendar 2016:

Celebrate the power of the purse. With hundreds of sumptuous full-color photographs, Handbags is a desktop gallery of pure luxury. Dareen Hakims python-print lambskin Le Icon pochette. From Linda Sieto, a vibrant red architectural leather bag with layered compartments. Elegance with edge: Angel Jacksons leather Atomic Starlet satchel in graphic black and white. And Lolita Lorenzos dazzling metal and faceted acrylic Valrie minaudire with Art Decoinspired push lock. Plus shoulder bags, totes, clutches, evening bags, and more, all gorgeously photographed and reproduced for your dreaming pleasure.
