NEW FOR 1998! The Harbour Lights Value Guide brings collectors up-to-the-minute information and secondary market values in a colorful, easy-to-use handbook. It's packed with captivating history and the latest Harbour Lights news, including a history of lighthouses, what's new for 1998, collector's club information and the latest secondary market values. Other entertaining features include oversized color pictures of every piece, an interview with the Younger family (creators of Harbour Lights), a fold-out map of Harbour Lights lighthouses, a travel guide and more. The Value Guide is the at your fingertips resource Harbour Lights collectors have been searching for!
