**From Puzzlewright : Harder Wednesday Crosswords #2** before purchasing it in order to gage whether or not it would be worth my time, and all praised Harder Wednesday Crosswords #2:

Get over the midweek hump with crosswords that won't leave you completely stumped. This collection strikes the perfect balance: some puzzles are straightforward and simple while others up the ante with deliciously tricky and deceptive clues. Work out your brain on themes like Be Fuddled, Havin' Words, and Questionable Homonyms.
