Good Quality!By Morgan StokesI love this stationery set. The box is cardboard but decorated really nicely, and all the contents are high quality. It also includes instructions for how to melt the wax and use the seal.0 of 0 people found the following review helpful. I finall got my Hogwarts letter!By RooFantastic set! My fiance loves to write in the journal and will occasionally leave notes for me that are stylishly sealed on Hogwarts stationery. Both of us being Harry Potter fans, this is fantastic. My niece also got an official Hogwarts letter (from us) on her 11th birthday. Definitely a 5 out of 5 for quality and value for what's included.
