Warner Bros. Consumer Products Inc. : Harry Potter: Slytherin Deluxe Stationery Set (Insights Deluxe Stationery Sets) before purchasing it in order to gage whether or not it would be worth my time, and all praised Harry Potter: Slytherin Deluxe Stationery Set (Insights Deluxe Stationery Sets):

Oh yes!By Ornery Garden BirdThis is a wonderful little stationary set, and the only complaint I have for it is that when I run out of the stationary and envelopes, I'm going to be terribly sad.The seal itself is wonderful. It is made of wood with a brass head and is not the cheap plastic "toy" seals stamps you find in other places.The imprint is clear and crisp in the wax.The journal is a nice hardbound journal type with the elastic band to keep it closed or the page marked. There is a ribbon for marking the page as well. It is lined, however, so if you are prone to drawing in them instead of writing, you will have to tolerate the lines.The set comes with 2 wax sticks for sealing purposes, however, if you want to seal things like crazy, you can get replacement sealing wax at craft stores (usually in the Wedding supplies, oddly enough) or online.The stationary is modestly sized with a smooth writing surface.The paperweight is quite hefty, and will definitely weight down fly away papers. It also doubles as a nice conversation starter for Harry Potter fans or fellow Slytherin, if you happen to have Slytherin friends mulling about.Overall I love this set. Definitely worth the price. The journal itself is \$14.15 if you get it alone (at the time I reviewed this), so a little extra for the seal and goodies made it a fine investment.3 of 3 people found the following review helpful. A great buy! One minor issue....By RandomfaceFirst impressions was awesome! This would be an AMAZING gift to give someone!You get a journal, envelopes, letter head paper, 2 wax things, a wax seal imprint and a paper weight. That is a lot! I could do without the paper weight, it isn't that heavy. After using the wax seal imprinter for the 4th time, wax started sticking in the sides of it, which pulled off from the wax seal. Not sure what I'm doing wrong?! Should I pull it off sooner?I realized how sucky it would be after I run out of paper and

envelopes... then I realized, I could probably just print some letterhead on some thick paper/envelopes and be good to go again! 1 of 1 people found the following review helpful. My father will hear of this! By RooFantastic set! My fiance and I are both avid Harry Potter fans, and love these sets. This set has a journal for all my cunning plots, as well as stationary, envelopes and wax seals when I need to send a formal letter to father, telling him about the injustices in the formerly fine establishment of Hogwarts. The overall quality is fantastic on these and I'd suggest this for any die hard Slytherin (or Harry Potter fan in general)

Celebrate the artistry of the Harry Potter films with this Slytherin themed stationery set, inspired by the colors and heraldry of Hogwarts most cunning house. This deluxe collectible set includes a 192-page blank journal, a wax stamp and two wax sticks, letter-writing paper, envelopes, and a paperweight all of which feature the iconic Slytherin crest. Showcasing vibrant graphics and concept art from the beloved films, this finely crafted stationery set invites fans to show their support for their favorite Hogwarts house.
