Chicks dig farmers!Can't stay down on the farm? Harvest Moon: Back to Nature blends the best elements of the RPG and Sim genres, and promises to be the quirkiest and most addictive of the crop! After 10 long years, you've returned to the village where your grandfather once had a farm. He has passed away and the farm is in disrepair. The mayor has given you three years to make things right again. With no money and only your grandfather's rusty tools (and the pretty girls who live in the town), you and your faithful dog have got your work cut out for you! Prima has the best almanac for the job. Harvest Moon: Back to NaturePrima's Official Strategy Guide offers all the information a virtual

farmer could want, including: Bushels of recipes to woo the girl of your dreams Complete stats, bios, and advice on interacting with every character Event calendars for each season Tons of tables for tools, items, crops, and livestock Great strategies to restore your farm to a land of plenty Detailed listing of Special Events
