Ivan Cooke : Healing By The Spirit before purchasing it in order to gage whether or not it would be worth my time, and all praised Healing By The Spirit:

0 of 0 people found the following review helpful. A Bit Too Esoteric For MeBy Michael G.Ivan Cooke was the

partner of a woman who channeled an entity called White Eagle. Here's a Web description of how their healing works: White Eagle healing begins with the simple, yet profound work of radiating the light of the Christ Star to all in need. The six-pointed Christ star is a mystical symbol of man/woman made perfect in matter, and thus is the means of channeling spiritual perfection the Christ light to bring comfort, peace, joy and strength. The lodge runs a school of spiritual healing which grows out of this concept, and uses the power of the colour healing rays, through the chakras and the aura of the patient, both in absent and contact healing sessions. (This service is always offered free of charge, and contact healers are trained to national standards and follow national codes of conduct where these exist.) If you're open to this stuff, then this book might work for you. Interpreting chakras and auras is a bit too esoteric and specialized for me, I'll stick to The Infinite Way. 0 of 0 people found the following review helpful. BOOK By STY

This early work is a fascinating read for anyone interested in alternative therapy and its history, comprising a comprehensive account of spiritual healing. Contents Include: Part I, The Happier Way to Healing - A Glance at the less Happy Way of Healing; The Happier Healing; The Cause of Sickness; The Mind in the Heart; Growth into Wisdom; Arrestingly New and Strangely Simple; The New Awareness; The Pupil at School; Never Grow Old; The New Man; Part II, A New Healing - The Training of a Healer - How to Heal Others - A Century of Useful Living; The Wisdom Healing; Say rather, 'Here am I, Lord; Send Me!'; The Pure Life; A Talk about many Things; 'Here I Stand, Empty, Lord; Fill Thou Me!'; Forgive and be Forgiven; Part III - Some Healing Cases - A Cure of Cancer; The Boy who slashed down Flowers; The Remaking of Man; The Remaking of Man (continued); Conclusions; Postscript - The White Eagle Healing Today; and Index. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
