Getting bored of the same old games, and same style games, but being lovers of hearts, wizard, spades, etc, this game was a refreshing switch. It is easy to understand (especially if you already know how to play hearts and wizard), very fun to play, and the twists make it challenging as well. Highly recommended.2 of 2 people found the following review helpful. Love this game...By Plum perkyWe have played Hearts for years but this is a nice twist to and old game...the cards seem sturdy enough but we haven't had the game

very long..We have played this game with a few different couples and everyone really loves it...0 of 0 people found the following review helpful. Five StarsBy franknice game for a change of regular cards.

Joe Andrews, the author of The Complete Win at Hearts has teamed up with Ken Fisher, the creator of Wizard card Game, to produce Heartswitch-a completely new card game inspired by Hearts. The addition of special cards and unique concepts creates challenging situations that require innovative strategies. In this trick-taking game, lowest score wins. Heartswitch game includes 60 cards, custom scorepad, and rules.
