Simon Stephens : Heisenberg (Modern Plays) before purchasing it in order to gage whether or not it would be worth my time, and all praised Heisenberg (Modern Plays):

Is this the strangest thing that two people have ever done in the history of the world? Amidst the bustle of a crowded London train station, Clare spots Alex, a much older man, and plants a kiss on his neck. This electric encounter thrusts

these two strangers into a fascinating and life-changing game. Simon Stephens's play brings to blazing, theatrical life the uncertain and often comical sparring match that is human connection. Heisenberg received its world premiere at the Manhattan Theatre Club, New York, on 3 June 2015.
