**Henry Hook : Henry Hook's Cryptic Crosswords, Volume 3 (Other)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Henry Hook's Cryptic Crosswords, Volume 3 (Other):

4 of 4 people found the following review helpful. Enjoyably MaddeningBy A Customer This third volume differs little from either of the first two, right down to the cover design (the big 3 is the only difference). All three cater to the champion solver, those used to cryptic crosswords, and not to the uninitiated (who may wish to pick up Random House's Guide to Cryptic Crosswords instead.) The puzzles are all playful, with both simple and complex variations. Expect to take several days to fully solve some puzzles (esp. Drop and Roll), but only a few minutes to solve others (Cryptocryptic, which contained a typo).

Cryptic crosswords are the ultimate challenge for American puzzlers. The forty-five never-before-published cryptic

crosswords in Volume 3 are as tough as they come -- just the way cryptic fans like them.
