The Good, The Bad and The UglyBy Agatha ReaderThe Good ... answers are given and each problem is discussed (1/3 of the book); highly illustrated pages, wonderfully presented and organized - nothing displeases the eyes.The Bad ... mostly math problems (Three Children, Leases, Policemen, Prison, The Meeting, Two Trains, Exercise, The Crowd, Playing with Numbers, Mayfair, Brian, Intuition, Voyage, The Bicycle PLUS a lot more!) , a handful of logic problems (The Display, Murderous Work, The Farm, etc). Some problems need prior knowledge to solve (General Introductions, The Wild Man, The Lamp, etc).The Ugly...misleading title...this is not a collection of WHODUNIT puzzles...do not expect to solve crimes featuring Hercule Poirot.NB I preordered this from Target.com in December 2016. What drew me to this book was the cover illustration and the words "Hercule Poirot".0 of 0 people found the following review helpful.
