This Holiday Collectables book is packed full of information and photos from Dan Pauline's collection. Like their first two books "Halloween Collectables" and "Romantic Valentines", this book is a must for identifying all your collection of holiday items. Included are collectables from New Years, Valentines, St. Patrick's, Easter, 4th of July, Thanksgiving, Halloween, etc. Almost all items contained within are from or before the 1940s, assuring items of interest from long ago. The beautiful color photos and wealth of information create a holiday collectible value guide unlike any other.
