From Parragon Inc : Horses: Explore the Beauty of These Majestic Animals (Landscape Books) before purchasing it in order to gage whether or not it would be worth my time, and all praised Horses: Explore the Beauty of These Majestic Animals (Landscape Books):

More than 100 dramatic action photos reveal the many faces of the horse at work, at rest and engaged in sport and leisure equestrianism. Discover the unique spirit and majesty of horses moving at speed and expressing the sheer exuberance of living. Learn about different breeds of horses and ponies and the characteristics of hotbloods, warmbloods, and coldbloods. Explore the richness of the human-equine partnership and sense the closeness of the bond that links horses and their riders.
