Erwin Brecher, Mike Gerrard : How Do You Get an Egg into a Bottle?: And Other Puzzles: 101 Weird, Wonderful and Wacky Puzzles with Science

before purchasing it in order to gauge whether or not it would be worth my time, and all praised *How Do You Get an Egg into a Bottle?: And Other Puzzles: 101 Weird, Wonderful and Wacky Puzzles with Science*:

2 of 2 people found the following review helpful. The content was not really good and was very dated.  
By Kim  
B Bought this book for my 8th grade science class, which I should not have done since there is no preview of the book on . The content was not really good and was very dated. I am only keeping it because shipping it back would cost almost as much as buying the book.

By Roger Prucino  
Gave as a gift; niece loves it.  
0 of 0 people found the following review helpful. Science facts were fun.  
By Kurt  
This book had great interesting science facts. Good buy.

A book of 100 fascinating science puzzles perfect for astounding friends, impressing party guests, and annoying relatives

"This is a book that will engross the curious and the mischievous along with their friends and family while feeding them a bit of science at the same time." [SanFranciscoBook .com](http://SanFranciscoBook.com)
