Gareth L. Pawlowski : How They Became the Beatles before purchasing it in order to gage whether or not it would be worth my time, and all praised How They Became the Beatles:

2 of 2 people found the following review helpful. The best read on how the Beatles got togetherBy G. M. COLVINGreat information on the real story of the group that became the Beatles. I enjoyed reading and following the history of the group from their first time playing. Great photos from back then.1 of 1 people found the following review helpful. Five StarsBy Rebecca JacobsonGreat, timely delivery2 of 2 people found the following review helpful. The Beatles in the Biginning!By PatGreat look at the Beatles very early on. Loved the book. Learned a lot of how The Fab Four began. Great read!

New, excellent condition. Unread, unopened. In storage since publication. Plume 1989 first edition large paperback. Detailed exploration of The Beatles' early years with 100 previously unpublished photos. Fast shipping, tracking.
