Fred Reinfeld : How to Be a Winner at Chess, 21st Century Edition (Fred Reinfeld Chess Classics) before purchasing it in order to gage whether or not it would be worth my time, and all praised How to Be a Winner at Chess, 21st Century Edition (Fred Reinfeld Chess Classics):

0 of 0 people found the following review helpful. I think it's still a great introduction to fundamental methods and the

logic of the ...By Glenn A RobertsA faithful update of the original; Mr. Pandolfini exercised admirable restraint in leaving Reinfeld's original text intact, and limiting himself to converting the descriptive notation to algebraic. As a result, all of the original sparkle and brilliance of Reinfeld's style and passion for chess comes through as clearly today as it did half a century ago. While the chess world has moved on, and this book may not have significant relevance as an introductory volume for beginners who want to play competitively, I think it's still a great introduction to fundamental methods and the logic of the game for younger players or adults who have no desire to enter competitive chess, but simply play with a few friends for fun.0 of 0 people found the following review helpful. A Valuable Addition to the Chess Players LibraryBy RileonI first read this book from the public library and the algebraic notation is a plus at least to me. The advise is as good today as when first written.0 of 0 people found the following review helpful. Excellent intro to chess theory.By Robert A. SilversteinThe book is an excellent introduction to the basics of chess theory. It's short but substantive, thorough but clear. It's well worth the reading.

The Essence of Good ChessThe incomparable Fred Reinfeld is back in print! This new 21st-century edition is presented in modern algebraic notation in a double-column format, with more diagrams and a refresher course for beginners.How to be a Winner at Chess is among the very best introductory chess books ever produced, bar none. In it Reinfeld manages to capture the essence of good chess in a most readable, enjoyable, easy-to-grasp format.How to be a Winner at Chess is designed for the average player who knows the moves and rules but not much more. Warning! you have to be able to read! Let Fred Reinfeld, the master wordsmith and instructor take you to the next level in short turn you into a winner.

About the AuthorFred Reinfeld (1910-1964) was for many years among the strongest chess players in the country. Even now as an author, he stands alone, the most successful and prolific chess writer of all time, with over one hundred books to his credit.
