**Arthur Murray : How To Become A Good Dancer** before purchasing it in order to gage whether or not it would be worth my time, and all praised How To Become A Good Dancer:

6 of 6 people found the following review helpful. If New to Ballroom DanceBy TJIf you are new to ballroom dance, this is the book to buy to help with practicing at home. This book is organized and illustrates the dance steps for each dance. There are some but not enough dance step illustrations in these two other Arthur Murray Dance books which we unfortunately bought first:Let's Dancehttp://www..com/Arthur-Murrays-Lets-Dance-

Murray/dp/1258122413/ref=pd\_sim\_b\_3Ballroom Dancinghttp://www..com/Ballroom-Dancing-Arthur-Murray/dp/1258122367/ref=pd\_sim\_b\_3We also bought the Arthur Murray Foxtrot and Waltz CDs. We're taking weekly dance lessons, but would forget by the time we went to practice at home. It's too hard to take notes at dance. This book is great with the dance step illustrations and explanations! 1 of 1 people found the following review helpful. Just started. Each page a helpful reminder, \_\_with ...By AttheconferenceJust started. Each page a helpful reminder, \_\_with something new , eg, foot mivement, body mivement, thinking, ...can' t wait to read more.0 of 0 people found the following review helpful. What an opportunity to find time to exercise and have fun!By CustomerLearning to dance takes data from many fields. Practice is ongoing and must be consistent to train your memory and muscle memory. What an opportunity to find time to exercise and have fun!

This early work by Arthur Murray is both expensive and hard to find in its first edition. Its 250 pages contain a wealth of information on how to learn the art of dancing and include chapters on the Fox Trot, the Rumba the Mambo, all accompanied by instructional diagrams. This fascinating work is thoroughly recommended for anyone with an interest in ballroom dancing and a willingness to learn. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
