Jonathan Griffen : How to build a house in Minecraft: Minecraft before purchasing it in order to gauge whether or not it would be worth my time, and all praised How to build a house in Minecraft: Minecraft:

0 of 0 people found the following review helpful. Mixed. By epicface911 It's mixed with server stuff and pictures of some other "houses" otherwise, great!

This book shows you how to build a house in creative mode. There are a few interesting facts and cool photos. This book was written by my 9 year old son and all royalties from the sale of his books will go towards College funds for both my sons. Thank you for your support
