thought that reading it might prepare me for opponents that do cheat but this is petty ridiculous. My wife appreciated the quotes from Shakespeare. 1 of 1 people found the following review helpful. Very funny BookBy V. TracyIt was a gift and was welcomed with laughter. My friend then showed it to others and they liked the humor in it too. 5 of 5 people found the following review helpful. Skunking your opponent by being Rotten in DenmarkBy Joanna D. Here is a quote to start, from our man Will: "Though I am not naturally honest, I am so sometimes by chance." This is really an evil book, don't let your kids see it, especially if you aspire to teach them cribbage. The Shakespeare quotes on honesty, thievery attempt to lift this book from the gutter, but only make it that much more scurrilous. Cribbage is a noble card game played in pubs and other dives worldwide, and the players are called "peggers" from the method of scoring point by moving a wooden peg on the cribbage board. Many of the cheats are ingenious ways of taking unto oneself more peg point than one is entitled to; my favorite--peg three or four MORE than you have scored. When your observant opponent says "You've pegged too many, go back one" you do so with pleasure. Ah, that's funny. The problem with this book is that you can't give it as a gift to anyone else, and in fact, you probably should hide it under your bed. No, make that somewhere your spouse won't ever go. Because if she or he plays cribbage with you and sees this... Very funny stuff, would work in any bar (except with experienced peggers who will clobber you, I'm sure, unmercifully if you do this.) "I grant him bloody, Luxurious, avaricious, false, deceitful, Sudden, malicious, smacking of every sin That has a name. "

This short tongue-in-cheek novelty book describes thirty-one techniques for cheating in a four-handed game of Cribbage. Interspersed throughout are appropriate quotations from the plays of William Shakespeare, just to give it some class. A wonderful little gift for any Cribbage player who has a sense of humor--or needs one.
