If its free grab it, but not really worth paying for, just not that good!!By InfoHoundHow To Make an Epic Block Game Castle by Leonard TremanKindle Edition Free download, List price \$2.76Publication Date: January 26, 2013Digital List Price: \$2.76, then Print List Price: \$5.99 then You Save: \$5.99 (100%)Does not know how to setup a listing very well, hope the book is better Look inside description sucks!!This is a very basic castle design, very simple the directions are poor and many of the illustrations are a joke. Why did the author take the screen shot at night? Is there something to hide?All images should have been daytime shots, super simple to do, so why not? To many details done in the dark with poor directions. Keep it simple keep it clearThe author seems to have a problem setting up his listing on , he lists the book at \$2.76 Kindle price and then says you save \$5.99? Just another indication that this was a rush job, might be worth it for a buck, but no more than that.2

stars, poor quality images poor layout and poor descriptions dropped the score on this one. 1 of 1 people found the following review helpful. Hah awesome!!!!!!!By TAVYamaha this book is amazing and get this... the pictures aren't black and white u idiots it's just it dumb kindle! XD I love book get it when it's free definitely!!!!1 of 1 people found the following review helpful. Great for building ideasBy Nick GartnerI made a castle just like this one and it was one of the best ones I've made since 2012.

A complete step by step illustrated guide on how to build a livable castle. The castle if done correctly comes with 4 towers each with a loft and a mine or dungeon entrance 5 hallways between the towers, 4 Archer platforms, a kitchen, a courtyard, a workroom, a library, a central tower and throne room with a winding staircase and a trap door. This trap door has a pit and requires gravel. The castle will look just like the one on the cover if you follow the directions to the letter. Warning: Other than the cover, the guide is in black and white.
