**Richard L. Frey : How to Play Canasta** before purchasing it in order to gage whether or not it would be worth my time, and all praised How to Play Canasta:

This antique book contains a detailed guide to canasta, including helpful illustrations, detailed descriptions, rules, and more. After reading this book, the beginner may sit down with confidence; the player who has already dabbled in the

game will play with increased skill, and even the already skillful player will learn much to add to their strategy. The chapters of this book include: 'Learning Canasta', 'Keeping Score', 'Strategy in Canasta General Principles', 'When You Make the Initial Meld', 'Canasta for Two', 'Canasta for Four', 'Laws of Canasta', 'Irregularities', 'Variations in Canasta Laws', 'Canasta for Five', et cetera. We are proud to republish this text here complete with a new introduction on card games.
