Fred Reinfeld : How to Play Chess like a Champion, 21st Century Edition (Fred Reinfeld Chess Classics)

before purchasing it in order to gage whether or not it would be worth my time, and all praised How to Play Chess like a Champion, 21st Century Edition (Fred Reinfeld Chess Classics):

2 of 2 people found the following review helpful. and for the rest of us may well be all we ever need to best our cronies in the friendly little games we enjoy
By Glenn A Roberts
A faithful update of the original; Mr. Pandolfini exercised admirable restraint in leaving Reinfeld's original text intact, and limiting himself to converting the descriptive notation to algebraic. As a result, all of the original sparkle and brilliance of Reinfeld's style and passion for chess comes through as clearly today as it did half a century ago. While the chess world has moved on, this book still has relevance as an introductory volume for beginners who want to play competitively, and for the rest of us may well be all we ever need to best our cronies in the friendly little games we enjoy.

A wonderful book by a great author! Please convert to algebraic many more of Reinfelds classics. Must buy.

Reinfeld's Masterpiece How to Play Chess like a Champion is Fred Reinfeld's sequel to his How to be a Winner at Chess and an absolute gem. In it the reader will find an exquisite blending of classic games, stories, insights, and instruction as only Reinfeld can put together. Rarely has an author succeeded so well as here, combining instruction, entertainment, and pure enjoyment. This new 21st-century edition is presented in modern algebraic notation in a double-column format, with many more diagrams. Throughout, the writing of Reinfeld, the master wordsmith and instructor, has been left intact. How to Play Chess like a Champion is among the very best introductory chess books ever produced, bar none, capturing the essence of good chess in a most readable, enjoyable, easy-to-grasp format.

About the Author
Fred Reinfeld (1910-1964) was for many years among the strongest chess players in the country. Even now as an author, he stands alone, one of the most successful and prolific chess writer of all time, with over one hundred books to his credit.
