BuilderThe material here is really great. My rating is around 1500 so much if the material is tough for me, but it is exceptionally helpful. I think that higher rated players will get more out of it quicker than I do. But then I have more to learn. The tests at the end of each section are more than helpful, they are essential. If I ever make it to a higher rating it will be because of this book.0 of 0 people found the following review helpful. ENJOY,ENJOY.By PatrasA GREAT READ AND I LIKED READING IT ALONG WITH THE AUTHOR'S "THE AMATEUR'S MIND...."0 of 0 people found the following review helpful. Five StarsBy Jorge Aguirre LopezExcelente

How to Reassess Your Chess is the popular step-by-step course that will create a marked improvement in anyone's game. In clear, direct language, Silman shows how to dissect a position, recognize its individual parts and ultimately find the move that conforms to the needs of that particular situation. By explaining the thought processes that go into a master's choice of move, the author presents a system of thought that makes advanced strategies seem clear, logical and at times even obvious. How the Reassess Your Chess offers invaluable knowledge and insight that cannot be found in any other book.
