**Gina Mayer : How to Teach Preschool Ballet:: A Guidebook for Teachers** before purchasing it in order to gage whether or not it would be worth my time, and all praised How to Teach Preschool Ballet:: A Guidebook for Teachers:

Teaching preschool dance is an art - and that art can to be learned! Most dance teachers do not go to school to learn how to teach dance and therefore must learn through their own training. This book will take the fear out of the

beginning teacher and will replace that with fun! You will learn how to effectively prepare and run a preschool ballet class from start to finish. This includes: How to construct your curriculum, How to keep your students interested in your class, How to teach steps and choreography and most of all - How to have a great time with your students! Learn tricks to keep your students listening, behaving and staying safe. Even the pro teacher will learn new ideas to improve their teaching. We all need to be the best teacher we can by learning and growing! Remember those who can, Teach!
